you had unlimited funds, time, and travel budget, who would be the artist to put a permanent stamp on your skin? Hopefully it won't be Miley Cyrus...

Make sure to do some research before getting inked permanently, by checking out different types of lettering and the artists who are on the come up. If you want to get a new tattoo, put some money away to make sure it's done right, and consider one of these 50 Tattoo Artists You Need to Know before you go in.
